

JUNE PROOFS RELEASE

JURA-BÉTAIL, YOUR MONTBELIARDE SUPPLIER

This week we have a combination of two good news: Summer is starting and it's proof week, revealing great champions!

Jura-Bétail presents what you should remember from this Montbeliarde proofs release:

✓ OUR BULLS :

Within the Top10 of the breed, we still find **JORDREN JB** with 157 points of ISU and a new leader: **MOIRON JB**. This son of ITACHI JB, with 155 points of ISU, has a very balanced dairy profile (Milk +542, Prot +1.7 and Fat +2.6) along with a great Type ranked at 113.

Picking an **H** (with **Harpon jb** who confirms his potential and **Hazar jb** who comes out from the sampling range), **I** (**Itachi jb** who –with more than 100 daughters recorded now- wins 8 points of ISU and 300 points in Milk), **J** (**Jordren jb** among others), **M** (8 new genomic bulls coming from 7 different sires and with an average ISU of 145 points, 817 in milk, 89 in calving ease, 115 in total Type and 112 in Udder) and **N** (2 new very young bulls within our *Milk&Meat* range), you have plenty of choice to empower your herds!
