

DECEMBER PROOFS RELEASE

JURA-BETAIL, YOUR MONTBELIARDE SUPPLIER

New sires, podium, performances on long term with still the same will: bring you the best. Here are the key points of this new proof release :

✓ **OUR BULLS :**

Even if we don't need to introduce him anymore, **JORDREN JB** still deserves a highlight here as he keeps his place as breed leader within the Montbeliarde breed for the 5th successive time combining remarkable abilities.

Among performing while maintaining their level, **JITEUF JB** keeps an unbelievable dairy potential (+920kg) with an amazing Morphology: 125 on synthesis Type index, 126 in Body and 120 in Udder.

Same for **HOLDING JB** who accumulates outstanding functional traits along with a fantastic Type: +1.2 in Udder Health, +1.8 in Reproduction, 119 in Type and 124 in Udder.

Remaining in the *Healthy* range, we find **FRANGY JB** who brings a high dairy potential (+1,081kg) with a very good Udder (117, Udder Health +0.7) and who can be used easily on heifers (CE 90).

And within the *Milk&Meat* range, **MAXIMO JB** keeps his position as the number 1 of the breed in Type with 133 points.

Among new sires, we discover **MAULEON JB**: number 3 of the breed *ex-aequo* with 161 points of ISU. When Jura-Betail technical team had seen his family, from his dam to his great-grandmother, they definitely decided to launch this very young sire: Milk (+466kg), Content (Prot+1.5 Fat+1.7), functional traits improver, easy calving, an extraordinary Type (124) with Udder ranked number 6 within the breed!

MEDICIS JB is not far behind with great Milk (+1,056kg), Muscularity (104), longevity (+0.8) along with calving ease (90) and very good rump proportion.
